

### REMARKS

Claims 1-7, 13-24 and 26-32 remain in the present application. These claims have been rejected for obviousness-type double patenting over U.S. 6,672,487 that issued on the parent application. A Terminal Disclaimer accompanies this Amendment to overcome this double patenting rejection.

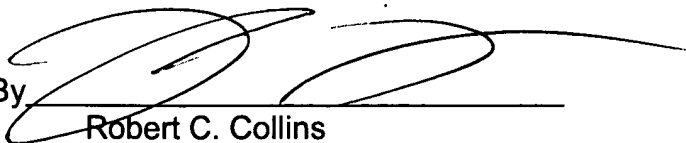

The remaining claims, which have been rejected over the prior art, have been cancelled.

It is therefore believed and respectfully submitted that all claims 1-7, 13-24, 26-32 remaining in the application are allowable at this time, and favorable action is respectfully solicited.

Please charge any fees associated with this submission to Account No. 15-0875 (Owens-Illinois).

Respectfully Submitted,

REISING, ETHINGTON, BARNES,  
KISSELLE, P.C.
